Revolt of MAR ZUTRA
the exilarch

495

As a sign of imperial favor both
consuls in Ravenna ~~were~~ of 495
were selected from the nobility of
Rome.

But no progress was made in the
question of Theodoric's recognition; among
the reasons was the Gothic king's refusal
to force Pope () FELASIVS to capitulate in
his dispute with the emperor. This was

followed by 2 years of ill-felling; no one from the
West was given the sunning ship.

Then Pope Gelawondos and his successors
shamed himself by talking to talk with the emperor
Fotio again led a certified embassy to
Constantinople
